Terms of Participation

1 Application
All potential exhibitors wishing to take part in the event must express their wish to do so by fully as well as faithfully completing and signing – with a legally binding signature - the "Application" form and submitting it to Messe Muenchen Shanghai Co., Ltd. (MM-SH) (facsimile or scanned copies are deemed as legally valid) at the earliest opportunity or at the latest by the application deadline.
With the application, exhibitors express to MM-SH their serious interest in taking part in the event as exhibitors. All exhibits must be described precisely on the application form. Co-exhibitors must be named on the application form for co-exhibitors. The same particulars must be specified as for the exhibitor. Incomplete applications cannot be considered.
When the exhibitor submits the application form, it means that the exhibitor acknowledges and observes the Terms of Participation and Exhibitor Manual. After the exhibitors receive Participation Admission letter (not Acknowledgment letter), it not only means that the exhibitor have been qualified for participating in the show but a “Booth Rental Contract” becomes valid with assigned area and other relevant services. The application form submitted by the exhibitor (including Terms of Participation and Exhibitor Manual), together with the Admission Letter and Exhibitor Manual sent by MM-SH are indispensable parts of the “Booth Rental Contract”, which has legally binding force on both parties.
This application procedure does not apply to organizers of joint stands. They are not exhibitors as defined by the Terms of Participation. Organizers of joint stands have to fill in the application form for joint stands which can be obtained from MM-SH.

2 Permitted exhibits and exhibitors
All domestic and foreign manufacturers or their Chinese subsidiaries, general importers and specialist dealers authorized by the manufacturers are admitted as exhibitors. Co-exhibitors shall not be admitted, nor additional organizations represented, unless expressly specified in the written notice of admission.
General importers and authorized specialist dealers may only exhibit products whose manufacturers are not represented at electronica China 2027. All exhibits must correspond to the relevant range of exhibits for this trade fair and be designated by name and category on the application form. Articles other than those permitted and registered, as well as used, hired or leased machinery, may not be exhibited. MM-SH has the final decision and has the right to remove any other exhibits at the exhibitor’s risk and expense.
The Terms of Participation as well as the Exhibitor Manual are accepted as legally binding with submission of application documents.

3 Co-exhibitors and additionally represented companies (see Clause 1, 2)
Co-exhibitors must obtain MM-SH's written permission to be eligible for the exhibition. The registration fee is RMB 2,000 for each co-exhibitor admitted.
A co-exhibitor is one who presents his own goods or services, using his own staff, at the stand of another exhibitor (the main exhibitor). This definition includes group companies and subsidiaries. Agents and representatives are not admitted as co-exhibitors. The definition of an additionally represented company is as follows: In the case of an exhibitor who is also a manufacturer, an additionally represented company is any other company whose goods or services are offered by the exhibitor. If an exhibitor who is a distributor wants to display not only the products of one manufacturer but also goods and services of other companies, then these count as additionally represented companies.
Additionally represented companies are not allowed on the stand.
Admission of the exhibitor does not mean that a contract exists between MM-SH and the co-exhibitors or other companies he represents. Co-exhibitors are admitted against payment.
The exhibitor must make this payment. The amount can also be invoiced (VAT inclusive) subsequently by MM-SH.
The exhibitor is responsible for ensuring that his co-exhibitors and other companies he represents comply with the Terms of Participation as well as Exhibitor Manual. The exhibitor is liable for the debts and negligence of his co-exhibitors as if they were his own. If co-exhibitors make direct use of MM-SH services, MM-SH is entitled to invoice the exhibitor for these services. He is jointly and severally liable. The exhibitor may not move, exchange or share his stand, nor surrender it either in part or in whole to third parties, without MM-SH’s prior written consent.

4 Participation fees, lien for Floor Space Only
The participation fees per sqm of exhibition hall are:
a) In the halls (minimum stand size 9 sqm for shell scheme and 18 sqm for raw space), Two-storey booth will no longer charge the upper floor.

b) Besides the rent of the stand area, the participation fees include extensive services provided by MM-SH, such as consultation and planning advice, publicity work, organization, technical assistance etc.
The above price includes 6% value-added tax. If the tax authority adjusts the tax type or tax rate before MM-SH’s issuing the invoice, MM-SH reserves the right to calculate the tax amount and issue the corresponding invoice according to the new tax type and tax rate from the date when the tax department adjusts the tax type or tax rate. In case of any further tax requirements in the exhibitor’s state / country of residence, such taxes shall be borne by the exhibitor.
Each square meter or part thereof will be included in full in the calculation, the floor space always being considered rectangular, without taking account of projections, supports, service connections and the like.
The applicant shall be invoiced for 50% of the projected participation fee within a reasonable time after his application. This first payment will be refunded without interest if the applicant is not admitted to the trade fair, and the specific payment request is based on the invoice issued by MM-SH. If an exhibitor decides to decrease applied area, the difference of the 50% first payment due to this change will not be refunded to the exhibitor separately but counted as the participation fee paid by the exhibitor as a whole. The exhibitor shall receive an invoice for the remainder of the participation fee after stand assignment. The remained amount will be the difference between the actual participation fee of the assigned area and the already paid amount.
Payment of the invoices is due immediately unless other payment deadlines are stated in the invoices. Payment of the participation fee as well as payment for admitting co-exhibitors is a prerequisite for occupation of the exhibition area.
If exhibitors have ordered MM-SH services, MM-SH is entitled to refuse the exhibitor’s move-in request and withhold such services, including but not limited to the supply of electricity, water, compressed air, etc., until the exhibitor has fulfilled his financial obligations to MM-SH. This applies in particular to obligations arising from previous events.
MM-SH reserves the right to enforce the lessor’s lien, as permitted by law, in order to secure its claims arising from the rental. The exhibitor must inform MM-SH at any time about the ownership of articles, which are exhibited or to be exhibited. If an exhibitor does not meet his financial obligations, MM-SH is entitled to detain the exhibits and stand fittings and, at the exhibitor’s expense, sell them at public auction or privately. If this is still not enough to make up for the loss of MM-SH, MM-SH reserves the right to claim compensation by the exhibitor.
MM-SH does not accept liability for damage to exhibits and stand fittings detained under this clause, unless MM-SH is guilty of intent or gross negligence.
Upon special application by the exhibitor, the participation fee and/or the payment for the admittance of co-exhibitors can be invoiced to a third party. As prerequisites, the third party must declare acceptance of the obligation or promise to pay the amount owed to MM-SH, and MM-SH must declare its agreement with such.
Should the exhibitor wish to have an invoice rewritten because the name, tax number or address of the recipient of the invoice has changed, the exhibitor is obliged to pay MM-SH a sum amounting to RMB 450 plus VAT for each change of invoice unless the details in respect of name, legal form or address of the recipient of the invoice were incorrect on the original invoice and MM-SH was responsible for the incorrect details. The exhibitors should be ultimately responsible for failure of third party.

5 Terms of payment (see Clause 4)
The deadlines for payment given in the invoices must be observed. Prior payment in full of the amount invoiced is a condition for access to the exhibition area, an entry in the catalogue, and provision of workers’ and exhibitors’ passes.

The applicant or exhibitor will receive invoices for all additional charges (e.g. technical services, advertising material) with the confirmation of the order; they are to be paid immediately on receipt. All invoiced amounts in all MM-SH invoices, which are connected with the event, are to be paid in RMB, without deductions and free of all charges **(e.g. bank charges occurring when transferring via bank account have to be paid by the applicant in full)**, by credit transfer to the account specified in the invoices, mentioning the exhibitor's company name and invoice number.
MM-SH bank information is the following:
Bank: ICBC Shanghai Branch, No2 Business Department
Account Name: Messe Muenchen Shanghai Co., Ltd.
Account No.(RMB): 1001190709016219311
Swift code: ICBKCNBJSHI

6 Rental contract

The application of the exhibitor represents the rental contractual offer and means that the exhibitor acknowledges and observes the Terms of Participation and Exhibitor Manual. The admission or rejection will be confirmed to the exhibitor in writing in due time. **Admission cannot be transferred.**
The rental contract comes into force when MM-SH has notified the exhibitor in writing that he is admitted. The application form submitted by the exhibitor (including Terms of Participation and Exhibitor Manual), together with the Admission Letter and Exhibitor Manual sent by MM-SH are indispensable parts of the "Booth Rental Contract", which has legally binding force on both parties. The exhibitor may not move, exchange or share his stand, nor surrender it either in part or in full to such third parties as are neither co-exhibitors admitted by MM-SH nor additionally represented companies admitted by MM-SH.
According to this contract, MM-SH is authorized to assign a stand area to an exhibitor, which might deviate from the information in the application unless these deviations are unacceptable for the exhibitor. A deviation is considered acceptable if MM-SH does not receive the exhibitor's rejection of the assignment of the stand area within one week.
If an exhibitor rejects a stand area in writing before the above mentioned deadline and the assigned stand area is unacceptable for the exhibitor, the exhibitor can demand that MM-SH assign him an acceptable stand area. If MM-SH does not comply with the demand within an appropriate time period, the exhibitor can withdraw from the contract. The exhibitor does not have any further rights.
The allocation of the other stands, in particular of neighboring stands, can be changed by MM-SH before the trade fair opens. MM-SH is also entitled to relocate or close entrances to and exits from the trade fair grounds and halls, and to make other structural alterations. Exhibitors cannot make claims against MM-SH because of such changes.
MM-SH may also subsequently, i.e. after the rental contract and the stand assignment have come into force, change space allocations, including but not limited to change the location, type, dimensions and size of the exhibition area rented by the exhibitor, insofar as this is necessary for reasons of safety or public order, or because the trade fair is oversubscribed and further exhibitors must be admitted or because changes in assignments of exhibition space ensure that the facilities and space required for the trade fair are used more efficiently. Should such subsequent changes result in a lower participation fee, the difference in amount without interest will be refunded to the exhibitor. Further claims against MM-SH are excluded. If exhibitors cannot use their stand space or are impaired in the use of their stand because they have infringed legal or official regulations or the Terms of Participation or Exhibitor Manual, they are nevertheless obliged to pay the participation fee in full and to pay MM-SH compensation for all damage caused by themselves, their legal representatives or employees; exhibitors are not entitled to cancel or terminate the contract unless the law specifically entitles them to do so.
The exhibitor's reservations, conditions, and particular wishes (e.g. regarding location, exclusion of competitors, stand construction or design) will be taken into account only if expressly confirmed in the notice of admission. Space will be allocated according to MM-SH's requirements and the prevailing conditions, and in accordance with the classification system for the trade fair as applied by MM-SH at its own discretion, and not according to the order in which applications are received.
Exhibitors do not have a legal claim to admission unless such a claim exists by law. Exhibitors who have not fulfilled their financial obligations to MM-SH, e.g., in respect of previous events, or have infringed the regulations governing the use of the event grounds, or the terms of participation, may be excluded from admission. MM-SH is entitled to withdraw from the contract or to terminate the contractual relationship without notice, first payment charged by MM-SH are non-refundable and MM-SH reserves the right to claim against exhibitors for the losses incurred if admission was based on incorrect or incomplete statements by the exhibitor, or if, at a later date, the exhibitor no longer fulfills the conditions for admission.

7 Cancellation of contract

If the location, type, dimensions or size of the exhibition area rented by the exhibitor are subsequently changed so much that the exhibitor can no longer be reasonably expected to accept the exhibition area, **the exhibitor is entitled to withdraw from the rental contract within one week upon receiving written notification by MM-SH**. Otherwise, apart from the statutory rights to withdraw from the contract, the exhibitor has no right to withdraw from this contract. If the exhibitor states that he is withdrawing from the contract, this means – regardless whether he has the right to withdraw from the contract or not - that he is renouncing once and for all his intention to take part in the trade fair. If the exhibitor states that he is withdrawing from the contract and thus renounces once and for all his intention to take part in the trade fair, MM-SH is entitled to re-let the stand area or use it itself without being obliged to do so, even if the exhibitor has no right to withdraw from the contract. **The exhibitor shall not have any further rights due to the fact that the exhibition space is rented to others or used in another way. If the exhibitor withdraws the contract after submitting the application form, the first payment shall not be refunded. If the exhibitor withdraws the contract within 2 months before the show, 100% of the actual participation fee shall be charged. The exhibitor is obliged to make up the balance of the penalty if the exhibitor fails to fully make such first payment or total participation fee when the contact is cancelled.**
MM-SH is entitled to withdraw from the contract if the exhibitor fails to meet his financial obligations to MM-SH on time, MM-SH has extended the deadline by 5 days and this deadline for payment has not been met. This applies especially if the exhibitor is in default of payments for the **first payment of 50% for the projected participation fee**. MM-SH is also entitled to withdraw from the contract if the exhibitor neglects his duty arising from this contract to respect MM-SH's rights, objects of legal protection and interests and MM-SH can no longer reasonably be expected to adhere to the contract. In the aforementioned cases MM-SH is entitled not only to withdraw from the contract but also to demand from the exhibitor 100% participation fee as flat-rate compensation. MM-SH's right to claim further damages remains unaffected.

8 Force majeure, cancellation of the event

If MM-SH is compelled, as a result of force majeure (natural disasters such as earthquakes, droughts, tsunamis, typhoons, hurricanes and floods, or fires, war, riots, terrorism, acts of government, epidemics and other acts or events recognized by applicable laws as force majeure or otherwise commonly recognized as a force majeure event by international commercial practice) or other circumstances beyond its control (e.g. failure of the power supply), to vacate one or more exhibition areas, temporarily or for longer periods resulting in postponement or curtailing of the trade fair, the exhibitors do not thereby acquire the right to withdraw or cancel, nor do they have any other claims against MM-SH, in particular claims for damages. If MM-SH cancels the event because it cannot hold the event as a result of force majeure or other circumstances beyond its control, or because it has become unreasonable for MM-SH to hold the event, MM-SH is not liable for damages and disadvantages to exhibitors arising from the cancellation of the event.

9 Dates of setting up and dismantling / Assembly, staffing and dismantling of stand

The information such as exact dates for set up and dismantling will be based on Exhibitor Manual, exhibitor shall comply with it strictly.
There will be a special build up scenario for certain sections of the outdoor area. Early move-in needs to be confirmed in writing by SNIEC, MM-SH and its appointed official freight forwarder while relevant formalities should be completed and related expense should be paid. If exhibitors want to showcase over-weight / high exhibits, it is mandatory to discuss details, such as move-in plan, display locations, and etc., with MM-SH and the official freight forwarder for the show and strictly follow the over-size / overweight exhibit schedule assigned by MM-SH and its official freight forwarder.
Construction is starting from 9:00 am on April 12, 2027. All delivery and stand-construction vehicles must be removed from the halls and from the outdoor area before 22:00 pm on the last day of setting up, April 13, 2027. After that, the exhibits or facilities remaining in the indoor exhibition hall and outdoor exhibition venue shall be deemed to be abandoned by the exhibitors. Vehicles which are still in the halls or the outdoor area after these times will be removed by MM-SH at the risk and expense of the exhibitor concerned. Setting up must be finished before 22:00 pm on April 13, 2027 at the latest. An extension is possible only in exceptional cases with the written permission of MM-SH. The dates for assembly and dismantling must be observed. Stands not occupied by the last day of assembly may be disposed of as MM-SH sees fit.
Exhibitors admitted to the fair undertake to participate in the event. The stand must be properly equipped and staffed by qualified personnel throughout the trade fair during the prescribed opening hours. Particular attention should be paid to ensuring that the stand is already fully staffed when the trade fair opens. **Exhibitors are not permitted to remove trade fair goods or dismantle their stands before the trade fair closes (16:00 pm on 16 April 2027). If they break this rule, MM-SH is entitled to demand a penalty of RMB 4,500.**

MM-SH is entitled to exclude from future trade fair any exhibitor whose stand is staffed by insufficiently qualified personnel during the trade fair's opening hours, who exhibits an incomplete range of goods or goods not admitted to the trade fair, who vacates or clears his stand before the end of the trade fair, or who otherwise infringes the Terms of Participation, without prejudice to MM-SH's right to cancel the contract in accordance with Clause 7 or to a claim for all costs thereby incurred by MM-SH.

10 Stand design and equipment (see also Exhibitor Manual)

a) In the halls

The maximum booth construction and advertising height for one storey booth is 6.00 m.

The maximum booth construction and advertising height for two storey booth is 8.50 m.

Construction or advertising inside and outside the booth must be approved by the organizer and must not block or affect adjacent booths.

Assuming that the relevant rules and regulations in Technical Guidelines as well as Exhibitor Manual are observed in designing and constructing a stand, drawings need to be submitted for approval for raw space construction in the halls insofar as they are built by the exhibitor. On request, MM-SH's Operations Department and the appointed service partners will check submitted stand construction plans (submitted in two copies) for exhibitors. No specific approval will be issued.

All other stand constructions which are higher than or equal to 4.5 meters, multi- storey stands, mobile stands, stands with bridges, stairs, cantilevered roofs, galleries, etc.) and constructions on the open-air exhibition grounds require approval. For all booths in the halls, stand construction is permitted with the approval of top-level certified structural engineer / qualified third-party safety supervision agency. Approval for the stand depends on the position of the stand within the hall and the area it occupies. Stand drawings containing elevations and cross-sections, cutaway view, electricity layout, static test report or static load calculation, specification of construction must be submitted in duplicate to MM-SH´s Operations Department for approval by the deadline specified, at the latest 8 weeks before stand assembly is to start.

For two-storey structure covering more than 30 sqm, exhibitors need to install sprinkler system on the ceilings of each storey. The structures of the stand cannot hang on the structures of the hall. All the indoor booths can not have roof constructions, no matter how small the covering area is. For indoor two-storey booths, one set of automatic alarm and ceiling sprinkler system should be installed for each 8sqm of 1st floor and one annually eligible fire extinguisher for each 12sqm of upper and lower layers. Generally with 5KG dry powder fire extinguishers, and electrical or precise instruments shall be equipped with 3 KG carbon dioxide fire extinguishers. Except for the island-type booth (four sides of the platform) and the national pavilion, all other booths must be installed with a white back panel wall of not less than 2.5 meters to separate from the adjacent booth. The wall facing the side of the adjacent booth must be covered with fireproof panels or Polyester (PVC) and kept white and clean. Do not use the back of the wall panel of the adjacent booth as your own back wall, or display the name and trademark of the exhibiting company. The wall facing the aisle must be at least 50% open. It is strictly forbidden to use the exhibition hall or the booth next door to fix its own booth or for decoration. The structures of the stand cannot hang on the structures of the hall. In the case of infringement of any of the conditions specified here, MM-SH is entitled to take action in accordance with the Terms of Participation.

b) On the open-air site

All structures to be set up in the open-air area exhibition grounds, require the prior consent of MM-SH.Stand construction is permitted in the open-air site with the approval of a top-level certified structural engineer, who is employed by the exhibitor or recommended by MM-SH. Approval for the two- storey stand depends on the position of the stand and the area it occupies. The required application forms as well as plans of ground and upper floor, elevations, cross-sections, electricity layout and static calculations or test reports, specification of construction and material must be submitted to MM-SH's Operations Department and the appointed service partners in due time, but at least 8 weeks before setup begins. At the setup of facilities, especially buildings, all applicable regulations at the event site must be observed. Booth construction and material piling are not allowed on the facility well and drainage cover at the outdoor area. For all construction work, allowance must be made for existing supply lines, distribution boxes, etc. Where these are located within individual stand areas, they must be accessible at all times. Attention must be paid to all existing supply pipes, foundations, distribution boxes, etc. during all setup work. Insofar as they are within individual stand areas, they must be accessible at all times.

The stand sides bordering neighboring stand should be not less than 2.5m and keep neutral, white and clear, so that they do not interfere with the design of the neighboring stand. Construction elements, stand signboards and exhibits must be arranged so that there is no unreasonable nuisance to neighbours.
